California Do-Not-Track Disclosures

Some internet browsers have incorporated "Do Not Track" features. Most of these features, when turned on, send a signal or preference (the "DNT Signal") to the websites you visit indicating that you do not wish to be tracked. Because there is not yet a common understanding how to interpret DNT Signals, nor a common definition of "tracking," we do not currently respond to DNT Signals on the Coastal Select Insurance Company website. Coastal Select Insurance Company engages in online behavioral advertising on third-party sites, through which information collected about the pages you visit on Coastal Select Insurance Company is used to display ads for our products or services on third-party websites.
