

GeoVeraSM
INSURANCE

Do You Need
Earthquake Insurance?

You have equity in your home, and your home is located in an area prone to earthquakes, so the simple answer is, yes. You already protect your equity from fire, theft and wind damage. But your protection is only as strong as it's weakest link.

All it takes is one.

Get an earthquake insurance quote today to learn more about how much it will cost to fully protect your equity.

Call Your Homeowners Agent Today For a Quote

Trusted standalone GeoVera Insurance earthquake coverage backed by an "A" (Excellent) rating. **So, you'll never need to stand alone.**
